

Reporting Xpress

Reporting Xpress is our new annual appeal reporting platform. It is a cloud-based solution that integrates seamlessly with Blackbaud's Raiser's Edge NXT via API. The platform is very user-friendly and intuitive. Daily updates of pledge and gift information will provide you with an accurate and timely picture of your annual appeal status.

You can access your parish dashboard at <https://archatl.reportingxpress.org>. Access to your parish's information is limited to the pastor/administrator and those approved to see annual appeal data. Please contact Tracy Zelczak at tzelczak@archatl.com or 404-920-7606 or Grace Pasden at gpasden@archatl.com or 404-920-7605 if you have any difficulty accessing your dashboard.

If you have questions about Reporting Xpress, please contact Suzanne Fusco at sfusco@archatl.com or 770-920-7614 or Maria Betz at mbetz@archatl.com or 770-920-7505.

The FAQ document below contains frequently asked questions and includes instructions for adding or removing a user, updating passwords, downloading reports, and more.

Report descriptions and sample donor letters for your parish to customize are also available on this page.
